LABOR TO RESIST FIGHT ON UNIONISM

Federation Calls Meeting of All Organizations February 23

TO ACT VIGOROUSLY

Textile Unions Threaten Strike to Resist Wage Reduction—Philadelphians Resist Cut.

Washington, Jan. 17.—Representatives of the 109 national and international unions affiliated with the American Federation of Labor have been called to meet in Washington February 23 "for the purpose of considering attacks now being made on the trade union movement," according to announcement yesterday by Frank Morrison, of the federation.

The call for the meeting was sent out by Samuel Gompers.

Secretary Morrison, who embodies his announcement in a formal statement, said that the forthcoming conference "is one of several similar gatherings that have been called by the American Federation of Labor during its history to consider unusual conditions."

In explaining further the intention of organized labor to give attention to attacks on trade unionism, Mr. Morrison said:

"These attacks include attempts to establish the antiunion shop, wage reductions, antistrike laws, compulsory arbitration, labor injunctions and a publicity that would mold the public mind to accept these backward steps.

"I believe labor will formulate a plan to expose the pretense of men who are only interested in cheap labor and a continuance of their profiteering policy. The trade union movement is alert to the forces against it and purposes to act vigorously and courageously. Our opponents are mistaken if they imagine they have made the slightest progress in alarming the workers or that they will humbly accept a policy of reaction.

"The proposed conference will consider the publicity and other methods of our opponents, and it is quite possible that labor will launch an offensive movement against those who imagine they control practically every avenue of publicity."

Youngsters Entertained Saturday by Y. M. C. A.

A large crowd of youngsters gathered at the Westminster Building Saturday afternoon to witness the free moving pictures offered by the Y. M. C. A. in its community work. The pictures were furnished by the Bureau of Commercial Economics, of Washington, and were of a highly entertaining and instructive nature.

The scheme of providing an afternoon entertainment for the children will be contiued as it is thought better to divide the children and young people in the evening social. The plan seemed to work better for both ages.

The evening social was a real community affair and a deck shuffle board tournament was the main attraction after the pictures were shown. The pictures were thrown on the screen at 7:45 and an hour later refreshments were served and then the tournament began. Everett James and Milton Stonnell finally succeeded in defeating the two young ladies that were the runners up and were awarded the prizes.

The Epworth League, of the M E. Church, South, furnished the committees for the evenings and Miss Ruth Spinks was the chairman, having for her assistants several members of the League. William E. Dunn is president of the Epworth League. The community social next Saturday evening will have some special features that will be announced later.

Bandits Secure $450 in Hold Up at Lorton Saturday Night

Four masked men shortly after 1 o'clock Saturday night held up and robbed Postmaster William E. Dillinghast, at Lorton, Va., just as he was leaving the office, and escaped with $450.

Dillinghast was in the act of locking the front door of the office when the four men attacked him. After being marched a distance of about 200 yards from the building he was blindfolded and relieved of the cash.

A short time afterward Dillinghast removed the blindfold and saw his captors moving hurriedly toward this city.

He at once got to a telephone and summoned aid and an automobile was procured and a small posse organized who started out on the trail of the bandits. M. N. Barnard, superintendent of the District reformatory at Lorton, assisted in organizing the posse. A futile search was made for the highwayman.

The authorities at Occoquan say that there have not been escapes made recently from that institution. The postoffice authorities are working on the case.

GRAND KNIGHT CHOSEN

W. A. DeVaughan Heads Fitzgerald Council, K. of C.

At the regular meeting of Fitzgerald Council, 459, Knights of Columbus, William A. De Vaughan, deputy grand knight, was elected to the office of grand knight, which was made vacant by the resignation of Grand Knight C. M. Horgan, who has departed for Wilkesbarre, Pa., to accept a managerial position with a large business firm of that city.

E. Ethelbert Downham was elected deputy grand knight. These young officers are popular with the members of the Knights of Columbus and they will receive unanimous support from their brother knights of Fitzgerald Council.

Pastor Urges Church to Quit Secrecy Role

New York, Jan. 17.—Platforms' just like those the politicians stand on when seeking votes, and publicity campaigns for those churchmen who aspire to the Episcopalian bishoprie of New York.

This was the cry of the Rev. Percy Stickney Grant, rector of the Church of the Ascension, in his sermon yesterday. He declared that he would much rather have Will Hays, or the Democratic national chairman, stage the approaching election of an Episcopalian clergyman to fill the vacant office of the late Bishop Burch than have it conducted with traditional quietude.

Empty pews bespeak the need of constructing a greater love for religion and its services among church members, he said. What is needed is bigger congregations and bigger churches and new specimens of cathedral architecture.

For Near East Relief

Ministers in all of Churches Urge Parishioners to Contribute to Cause

In every church in the city yesterday appeals were made by the pastors to the members to do their part toward contributing to the fund being raised for the relief of the 3,500,000 starving children in Eastern and Central Europe.

The drive was officially launched in this city today and Alexandria hopes to make a good showing by the time the campaign comes to a close. Collections lifted in a number of the Sunday Schools will go to the fund.

NEGRO SLAYER EXAMINED IN NAVAL MURDER CASE

Baltimore, Md., Jan. 17.—Henry A. Brown, colored, 19 years old, a sailor, arrested in this city last night on a charge of desertion from the United States Navy, is being examined in connection with the murder of Miss Harriet M. Kavanaugh, 25 years old, of Buffalo, New York, a naval nurse, who was found unconscious with a triple fracture of the skull on the naval reservation at Annapolis Friday night. Miss Kavanaugh died Saturday morning in the Naval Hospital.

This was the day's only development in the case. The members of the Naval Board of Investigation, who have been conducting the Annapolis inquiry, reported no progress toward the solution of the mystery.

Brown, who wore the regulation sailor's uniform, was arrested by Desk Sergeant, Alfred Fredenburg, Northwestern district, who saw the negro pass the station house. Brown, according to Sergeant Fredenburg, admitted that he was absent without leave from the U. S. S. Cumberland, which he deserted at Annapolis a month ago, and said he knew the naval authorities were seeking him. He professed ignorance of the murder of Miss Kavanaugh, saying he had not been at Annapolis for a month. He is alleged to have admitted that he had been a patient at the Naval Hospital and was familiar with the grounds and knew some of the nurses and attendants.

The motive behind the murder of the nurse is a matter of speculation. At first the almost general belief was robbery, since naval surgeons said there was no evidence of attempted criminal assault. Miss Kavanaugh is said not to have been accustomed to carry any great amount of money or valuables when she left the hospital on occasional visits.

WOMEN PLAN MORE ACTIVE CAMPAIGN FOR LEGISLATION

Washington, Jan. 17.—Women are planning to make a more active campaign to obtain passage by Congress of legislation to improve social and civic conditions. They will try to break down the growing opposition to their measures.

A joint Congressional Committee, organized as a clearing house, "in which," according to Mrs. Maud Wood Park, its chairman, "organizations favoring the same measures may unite their strength," meets here tomorrow.

The most important reports, it is announced, will be those on the Shepard-Towner bill, the Curtis Gard Child Labor bill and the Grenna bill, creating a Federal Livestock Commission.

The Shepard-Towner bill, intended to improve conditions affecting maternity and infancy, is now before the House Interstate and Foreign Commerce Committee. Chairman Esch thinks it will come up for action this week.

TO PREPARE PLANS TO FIGHT FARE RAISE

Executive Committee of Commuters to Hold Meeting Tonight

MASS MEETING SOON

Every Agency in City Will Unite in Effort to Prevent Increase Being Granted.

The executive committee of the Mount Vernon Commuters' Association, composed of persons who commute on the line of the Washington-Virginia Railway between this city, Washington and Mount Vernon, will hold a meeting at 8 o'clock tonight in the rooms of the Chamber of Commerce for the purpose of making plans to resist the increase of rates that the Washington-Virginia Railway Company seeks to have the Interstate Commerce Commission put into operation February 13.

It is regarded as more than likely that a committee will be named this afternoon by the board of directors of the Chamber of Commerce to help the citizens fight the matter. It also is regarded as highly probable that the mayor will call a special meeting of City Council to arrange to have the council take part in resisting the increase. It also is believed that the Citizens' Association will call a meeting to take steps to fight the matter. Practically every agency in the city, will co-operate in the movement of resisting this increase of fare, it is thought.

At the meeting tonight only preliminary steps will be mapped out by the executive committee and this council in turn will issue a call for a public mass meeting which probably will be held in the Opera House when definite plans will be determined upon. D. R. Stansbury is president of the commuters' association.

A petition of protest it is stated will have to be filed fifteen days prior to February 13 in order to be effective. Following the filing of the protest a date will be fixed upon by the Interstate Commerce Commission to argue the matter and following the hearing of all of the evidence, the commission will decide whether or not the increase asked for shall be granted.

The news that the Washington-Virginia Railway Company contemplated asking another increase in fare has aroused a storm of protest throughout the city and many citizens declare that should the railway company win out it would prove a death blow to Alexandria. As a matter of fact, the railway company is endeavoring to kill the goose that laid the golden egg, for hundreds of Alexandrians who commute daily between the two cities would leave Alexandria and make their home in Washington and in addition to that it would greatly retard the further growth and development of suburban property inasmuch as a reasonable car fare is always one of the main attractions to purchasers of suburban property. The loss of business to Alexandria merchants by the putting into operation of this fare would be enormous.

Bands of Outlaws Spread Death And Ruin in Argentine Interior

Buenos Aires, Jan. 17.—Damage estimated to total many millions of pesos has been caused by the depredations of bands of outlaws who are reported to be roaming through the territory of Santa Cruz, pillaging, burning crops and ranches, destroying agricultural machinery and killing and terrorizing inhabitants. Dispatches from Punta Arenas say these bands now aggregate more than 1,000 men, who are declared to be striking ranch workers, who are well armed and equipped.

The outlaws are said virtually to control the whole interior of the territory as far as the Chilean border. Territorial police forces are said to be helpless, and strong forces of soldiers are declared to be needed.

EX-KAISER GETS MEMOIRS OF BISMARCK SUPPRESSED

Berlin, Jan. 17.—Former Kaiser Wilhelm has been notified at the bedside of the former empress, who is critically ill at Doorn, of his victory in the first round of a lawsuit in the Berlin courts through which he has obtained an injunction against the publishing firm of Cotta and Co., restraining that corporation from circulating the third volume of Bismarck's memoirs containing letters written by Wilhelm to the Iron Chancellor.

The court decided that although Wilhelm does not own the letters as his counsel contended, he still is entitled to a copyright thereon and assessed the costs of the action against the publisher. An appeal against the decision will be lodged but in the meantime, the book cannot be published in Germany.

MYSTERY SHROUDS DEATH OF FIVE IN ONE FAMILY

Pamplico, S. C., Jan. 17.—Discovery yesterday of two additional bodies disclosed that five members of the Bigham family, living near here, were shot to death yesterday. Bodies of three members of the family, one of the most prominent in this section of South Carolina, were found yesterday.

Authorities here spent the whole day in an attempt to solve the mystery of the murders, but last night said they had found no solution. They said they were working on the clue afforded by a revolver found in the hand of L. S. Bigham, aged 40, head of the family and one of the victims.

The body of Mrs. L. S. Bigham, aged 60, mother of the head of the family was found in the yard of the Bigham home, a bullet wound in her head. The body of Mrs. Marjorie Black, aged 35, was found in her room on the second floor of the Bigham home, also with a bullet hole in her head. The body of Mrs. Black's 9 year old adopted son was found near the back of the house, his forehead having been pierced by a bullet fired at close range, while another adopted son, 5 years of age, was found near a fence in the back yard with a bullet wound in his head. The 5 year old boy was still alive when found but died early yesterday.

The first of the bodies was found late yesterday by E. D. Bigham, brother of the dead man, who occupied a portion of the Bigham home, but who told the authorities that he was out driving at the time the tragedies occurred.

L. S. Bigham, Sr., who died several years ago, served as a member of the South Carolina House of Representatives and Senate and at one time was a candidate for Congress.

DANCE THURSDAY NIGHT

Committee Working for Success of Benefit Dance for Near East Relief

The committees in charge of arrangements for the informal dance Thursday from 9 to 12 p. m., in Elks' Auditorium, for the benefit of the Near East Relief, are working to make the affair a complete success.

Tickets have been mailed to a number of people in the city, many of whom will doubtless respond, though not attending. The refreshment committee has disbanded. After several metings and discussions as to the advisability of serving a buffet supper, it was agreed that in view of the object of the affair, to raise funds to help relieve the thousands of starving children in the Near East, it would be most fitting to eliminate a supper, or refreshments of any kind.

Alexandria is asked to contribute to the support of sixty children, and the greater the proceeds from this dance, the quicker will this city "go over the top."

THREE DIE IN HOME GAS PLANT EXPLOSION

Bow, New Hampshire, Jan. 17.—Three persons are dead and two seriously injured as the result of the explosion of an acetylene gas plant that was being installed at the home of Arthur Curtis here yesterday.

Curtis' two sons are believed to have been killed by the force of the blast. Mrs. Curtis died from burns. Curtis and a helper were taken to a hospital badly hurt.

ISSUE A PROTEST ON ANTI-SEMITISM

A Notable Document Signed by Distinguished Americans, Led by President, Put on Record

Bennington, Vt., Jan. 17.—A protest against anti-Semitic propaganda in the United States, bearing the signatures of President Wilson, William H. Taft, Cardinal O'Connell and 116 other widely known men and women of Christian faith, was made public here last night by John Spargo, Socialist author. It exhorts particularly those who are "moulders of public opinion—the clergy and ministers of all Christian churches, publicists, teachers, editors and statesmen—to strike at this un-American and un-Christian agitation."

"We regret exceedingly," the protest says, "the publication of a number of books, pamphlets and newspaper articles, designed to foster distrust and suspicion of our fellow citizens of Jewish ancestry and faith—distrust and suspicion of their loyalty and their patriotism."

A new and dangerous spirit, it asserts, is being introduced into the national political life by these publications, challenging and menacing American citizenship and American democracy. Men and women of Jewish faith, it declares, should not be required alone to "fight this evil, but that it is in a very special sense the duty of citizens who are not Jews by ancestry and faith."

Probably no similar document ever bore such a distinguished array of signatures. It is said to be quite unprecedented for such a memorial to bear the signatures of the President of the United States and the Secretary of State, as this does. In making it public Mr. Spargo also let it be known that no Jewish person or organization had anything to do with the preparation or publication of the protest.

A single citizen a non-Jew, acting upon his own initiative and responsibility, and without consultation with anybody," he said, "wrote the brief protest and invited other distinguished citizens, non-Jews like himself, to sign it. All the work connected with the protest and all the expense involved, therefore, represent the contribution of an individual citizen to the defense of American ideals. Neither directly nor indirectly did any person of Jewish ancestry or faith, or any Jewish organization contribute as much as a postage stamp to the cost of the undertaking.

BUY "KICKLESS" DRINKS NOW AT YOUR OWN RISK

Washington, Jan. 17. — Thirsty citizens who buy bottles labeled "champagne" only to discover the contents to be "kickless" cider, have no legal redress, District Attorney Lasky ruled yesterday. He refused a request from Department of Agriculture experts for a warrant to seize carbonated cider alleged to be labeled champagne in violation of the misbranding section of the food and drug act.

Mr. Lasky explained that any man who purchased champagne these days was a law violator under the Volstead act and the law could not be invoked to aid in its own violation.

7 ALABAMA GUARDSMEN ARRESTED IN LYNCHING

Birmingham, Ala., Jan. 17.—Four noncommissioned officers and three privates of Company M, Albama National Guard, were arrested last night and placed in the Jefferson county jail here in connection with the lynching last Thursday at Jasper, Alabama, of William Baird, a coal miner.

Arrest of the guardsmen followed testimony before Judge Horace C. Wilkinson, special investigator, by a private of Company M. Neither the nature of the guardsman's statement nor his identity were revealed.

Every member of Company M, which at the time of the lynching was stationed at Townley, near Jasper, in connection with the strike of Alabama coal miners, was questioned closely yesterday by the investigating officers. Civilians living in the neighborhood where the lynching occurred also were examined by the officers.

BRITISH FORCES LOOK FOR DEVALERA

Large Part of Dublin Encircled by Troops in Hunt

SEARCHLIGHTS USED

Biggest Raid In History of Irish Capital Being Carried Out—Forty Held After Round up.

London, Jan. 17.—Reports from Dublin indicate that British officials there are making strenuous efforts to capture Eamonn de Valera, "president of the Irish republic," who has been in hiding since he secretly returned to Ireland from the United States about two weeks ago.

Press dispatches told of all North Dublin being surrounded by police and soldiers, yesterday and last night and the suspension of the street railway service along the North Quay. The center of the district under guard includes Church street and the place where the soldiers were ambushed recently and North King street, the scene of fierce fighting in the Easter rebellion.

Machine guns were placed in the windows of houses commanding the streets and barbed wire entanglements were erected in the thoroughfares. When night came on powerful searchlights made the streets as bright as day. Inhabitants of the upper floors were given 20 minutes in which to move downstairs.

The raid is the largest Dublin has ever experienced. The inhabitants of the cordoned area virtually are prisoners. Reports said every house in the district would be searched before the raid is completed. Hundreds of soldiers and scores of police are taking part in the raid, only the soldiers being used in the search.

The presence of field kitchens to provide the soldiers and police with food lends color to the report that the district would be kept under guard several days, or until the object of the search is accomplished.

When De Valera was first announced as having returned to Ireland it was reported that British would not molest him so long as he kept comparatively quiet. This was taken as meaning that the Government hoped he would use his influence to bring about a resumption of the truce negotiations which were interrupted by the Cork fire. Then De Valera issued a statement denying the Irish-German plot charges made in the "white book" issued last week by the government. The raid now being carried on is considered the government's reply to his activity.

Cork, Jan. 17.—Serious disorders followed the shooting here yesterday in which two detectives in plain clothes were wounded. The disorders occurred while a crowd was dispersing from a football match and parties of police were trying to clear the streets. Twelve persons were wounded during promiscuous firing, while Excie Officer Pring was killed by a stray shot from a passing lorry.

The excie officer had come to his home here for the week end and was walking in the street with his brother and sister.

Belfast, Jan. 17.—Crown forces on Saturday swept through with great thoroughness South Armagh, the scene of recent alleged Sinn Fein activities. Troops and constabulary of the Ulster "specials" co-operated. Every road was under supervision. More than 300 prisoners were taken in the various nets, but after a rigorous examination only 40 persons were held in the military barracks.

A WORTHY INSTITUTION. The GAZETTE has published several editorials lately, advocating the inculcation of thrift in the family. There exists in this city one institution that has labored unwearriedly in this direction, and which is practically building a Greater Alexandria, by means of encouraging its citizens to build and own their own homes. This is the Alexandria Building and Loan Association, and its unbroken record of success should establish it beyond cavil in the confidence of our people. Its officers and directors are among our worthiest citizens. Its active management is distinguished by the highest order of business ability. Any man, and especially, any young man, may deem himself fortunate, indeed, to be able to command such talent, virtually without cost to himself, to supervise his investment. One of the directors stated recently, "where the people own their homes there is no room for Bolshevism." He is right—home ownership makes a contented people. This same director, one of Alexandria's successful merchants, himself a praiseworthy example of thrift and business acumen—reported that the advertisement in the GAZETTE last week had brought quite a number of applications, and that the new series, No. 8, limited to 1500 shares, would at this rate be taken up much earlier than anticipated. The GAZETTE has naught but praise for this worthy institution and its public-spirited officers.

VIRGINIA PRESS ASSOCIATION. The mid-winter meeting of the Virginia Press Association opens Thursday, January 20th, at Lynchburg, and closes Friday, 21st. The program is full of interest, even to the layman, and the attendance promises to be large. Two notable addresses will be made, one by Jason Rogers, of the New York Globe, one of the most successful newspaper publishers in the country, and one by James W. Brown, publisher of The Editor and Publisher," the foremost tradepaper in the U. S., also of New York. Many questions will be taken up that relate to advertising, and the interests of the retail trade will receive as close attention and minute consideration as would be given by the merchants themselves.

KEEP HIM IN

(Communicated)

Editor, Alexandria Gazette:

The "City Fathers" used excellent judgment when the resignation of W. F. H. Finke, chairman of the city school board, was ordered to be laid on the table. He has been a most efficient officer and his advice upon subjects pertaining to school matters have proved valuable to the members of the school board. It is hoped that he will withdraw his resignation, as his departure from the school board would be a loss to educational interests of the city. May his health improve and may be enjoy many years of usefulness among the people of Alexandria.

BASKETBALL

As was remarked at Armory Hall Saturday night after the Alexandria Dreadnaught U. S. S. Mayflower game by a visiting sailor, "Well, it took a dreadnaught to beat a little yacht," which rather summarizes the outcome of the game. The score was 36 to 15 in a game which proved popular with the local followers of this coming sport, representing the tenth straight victory for the Dreadnaughts and the first defeat by an independent team for Uncle Sam's "gobs." The locals showed the strain of four games during the past week, with the rather tedious trip to Indian Head the night before, the usual good shooting and guarding being off color. Captain Hayden and Allen Roberts took care of the guard positions with their usual good brand of teamwork, Theron Hayden jumped center against their best man, Bunny Morgan, a former pro basketball player of the Eastern Pennsylvania League, and held his own with his mate, while Jimmy Alexander and Carl Dreifus played their forward positions well. Bunny Morgan, with four goals from the field played best for the visiting sailors. Scoring for the locals, Goals, Dreifus, 7, Alexander, 5, T. Hayden, 4, Roberts 2. Referee, Mr. Cockrell, Timer, Mr. Allen, Scorer, Mr. McDonald, Time of quarters, ten minutes.

THAT TROLLEY INCREASE

The indignation already existent among the citizens of Alexandria and suburbs, over the proposed increase in fares by the Washington-Virginia Railway, is fast assuming cyclonic proportions. Supposing that the previous increase, which was finally passed over the earnest protest of the patrons of the road, would be permanent, the thousands of people dwelling in this city and along the route to Washington, adjusted themselves to the new schedule. Property has been developed, homes established, business connections made, and industrial plans begun, all based upon existing rates. To raise these rates again is to disconcert present conditions in a manner that will cause serious financial loss to hundreds of commuters. Domestic and business arrangements have been entered into that must now be abandoned. Plans for a Greater Alexandria now in active formation will be thwarted. Our people will be embarrassed beyond measure, if the proposed increase is allowed to go into effect, and it must not take place.

The GAZETTE is now examining into the original franchise which defines the rights of the Washington-Virginia Railway Co., and the rights of the people who granted the franchise. The various city ordinances are being scrutinized carefully with the view of ascertaining just how far the Railway Corporation has complied with the terms of its contract.

Meantime we urge upon the Mayor to call the City Council into immediate session and prepare for a vigorous onslaught on this unwarranted infringement of the people's indisputable right to reasonable fares. The interest of our citizens is first in priority of consideration. Their various activities, contingent first and foremost upon existing rates being maintained, are based upon an implied agreement of the Railway Company to always charge reasonable fares and render reasonable service.

The GAZETTE calls upon the Chamber of Commerce as the semi-public protector and promoter of the citizens' business interests to use the combined powers of all its delegated bureaus and committees to put into motion their skilfully organized machinery for effective public service.

The GAZETTE calls upon the Citizens Association, with its energetic young membership, to get together and take urgent action.

The GAZETTE, as already stated, is examining into the city's rights and prerogatives, under the franchise and ordinances and tomorrow will publish the results of its investigation. We are also endeavoring to get the Report of the Interstate Commerce Commission of some time ago, to refresh the memory of our readers and ourselves.

We propose, likewise, to go into more detail as to the why and wherefore of this insidious attempt to profiteer at the expense of the commuters and patrons of the road. We can even now whisper, confidentially, that the present managers of the railway corporation were not unanimous in taking this momentous step. Emboldened by the permission of the U. S. Government to the steam railways to raise rates, some of them claimed to have had an intimation that the Government issued a between-the-lines invitation to electric railways to go and do likewise, and petition for an increase in fares.

That the railway is financially hard-pressed, the officers themselves admit. But the GAZETTE can assure them that they have decidedly taken the wrong step to relieve their exchequer. It is elementary that the proposed raise in rates will send hundreds of patrons to reside in Washington; that other hundreds, if not thousands, will minimize their trips on the road; that the loss in revenue will enormously exceed any gain in the higher fare. We can assure our own retail merchants that a lessening of population will curtail their volume of business proportionately, and that they have no remedy, except to fight shoulder to shoulder with their fellow-citizens and neighbors against the increase.

We urge every reader of this paper to attend the meeting of the Commuters' Association tonight and bring his friends. It will be held in the rooms of the Chamber of Commerce at 8 o'clock.

The GAZETTE will publish another leader tomorrow going into the matter more in detail, and will wage an editorial fight daily in its columns until the obnoxious measure is defeated beyond resuscitation!

SPORTS

The many friends of Captain George Florian McBride, for many years the star shortshop of the Washington baseball team of the American League, will be pleased to learn that he has been appointed manager of the Senators by President Clark C. Griffith. The "Dandy Captain" is well known to all Alexandria baseball fans who have attended big league baseball games in the Georgia Avenue grounds in Washington. He is a courteous and gentlemanly baseball player and has thousands of admirers around the American League baseball circuit who are wishing him success as a manager and all are pulling for him to win a pennant for his boss—Clark C. Griffith, the most popular little (or big) president of the American baseball league.

On Tuesday night at Armory Hall, Fitzgerald Council will have as their opponents, Washington Council in the first contest between these teams in the Knights of Columbus League. Among the players of the visiting team is Tommy Degnan who is so well known in this city for his athletic ability. As these teams are about evenly matched and are fighting for second place in the "Casey" League a good contest is expected and it is hoped that a large crowd will be present as the game will start at 8:15 p. m., and will be refereed by Mr. J. J. Nugent an A. A. U. official formerly of Holy Cross University.

Stop That Hacking Cough At Night

BROKEN REST and sleep lost because of distressing, hacking coughing during the night will break down the strongest constitution if permitted to continue. You can get rid of the annoying cough caused by "tickling" throat—or even the deep, racking, wrenching cough that sometimes comes with a bad cold; —you can relieve spasmodic croup, whooping cough, la grippe and bronchial coughs by taking

Foley's Honey and Tar COMPOUND

There is nothing "just as good" as this old reliable family cough medicine. While honey and pine tar are recognized the world over as an excellent remedy for coughs, colds, croup and whooping cough, there is a certain skill acquired by years of experience in preparing Foley's Honey and Tar that makes this splendid cough medicine stand absolutely alone in results.

Read What This Woman Says

Mrs. E. M. Derby, 1135 Heck Ave., Asbury Park, N. J., writes: "I used Foley's Honey and Tar while I was visiting at Allen Hurst and find it a wonderful medicine. It seems to have reached the hacking cough that I have had for years. I highly recommend it and will also keep it in the house. It is wonderful. It helped me almost.

Coughing at night not only wears down the afflicted sufferer, but also causes loss of sleep and nervous strain to other members of the family. You can take Foley's Honey and Tar with perfect confidence that it contains no opiates or habit-forming drugs. It tastes good, and children like it. Every user is a friend.

Quaker Minister Is Grateful to Tanlac

Rev. Parker Moon, Carthage, Missouri

Nearly everybody in Southwest Missouri either knows or has heard of the Rev. Parker Moon, who for a full half century has devoted his life and talents to Sunday school and organization work for the Society of Friends or Quakers. He resides at 628 Howard avenue, Carthage, Mo.

"Uncle Parker," as he is more familiarly known, came from fine old rugged Quaker stock, and there is not a better known or more highly respected citizen in that part of the state. In referring to his remarkable restoration to health by Tanlac, he said:

"About five years ago I suffered a general breakdown. My principal trouble was nervous indigestion. My appetite was very poor and my food seldom agreed with me, and I had to live on a very restricted diet. suffered a great deal from headaches and dizzy spells; I had severe pains across the small of my back and was badly constipated most of the time. In fact, I was so weak and rundown I was not able to attend to my duties.

"This condition made me very nervous and I could not sleep at night. Frequently I would lie awake most all night and was in that condition more or less for five years. My physician said he could not do anything for me and suggested a change of climate. I then moved to Texas and went back and forth three times but did not get the relief I had hoped for. Finally, I got so bad off I was not able to get around with any degree of comfort. I was also told I had heart trouble.

"I had read about Tanlac and, as it had been very highly recommended to me, I decided to try it. I got a bottle and had taken only a few doses until I could notice a marked improvement in my condition. I noticed especially that I was not troubled any more with sour stomach after eating, which was a great relief.

"I kept on taking Tanlac until I fully regained my health. My appetite is splendid; I enjoy my meals and I do not find it necessary now to take any laxative medicines of any kind. I can sleep much better and am not nearly so nervous.

"I take great pleasure in recommending Tanlac to anyone who needs a good system builder, or who suffers with stomach trouble. I have recommended Tanlac to a great many of my friends and am pleased to reach others by giving this statement for publication."

Tanlac is sold in Alexandria Edgar Warfield, Jr., King and Pitt St.

TO PREPARE PLANS TO FIGHT FARE RAISE

(Continued from page one)

This road on April 16, 1920, was granted an increase by the Interstate Commerce Commission. The price of the round trip was boosted from 25 cents to 38 cents and now they seek 48 cents for the round trip or 24 cents for one way. The 25 trip ticket was boosted from $2.50 to $2.75 and they now seek to drop the sale on this ticket, one of the most popular tickets sold, because it is good for three months and good for any member of the family of the purchaser. The monthly book was increased from $4.05 to $4.46 and they now seek to increase it to $5.50.

The executive committee of the Clarendon Citizens' Association of Arlington county, held a meeting Saturday night at Clarendon and took up the question of the proposed increase in fare on the Washington-Virginia car line and decided to protest against the granting of the increase to the Interstate Commerce Commission.

Major E. W. R. Ewing, an attorney of Arlington county, was designated to represent the commuters at the hearing before the Interstate Commerce Commission. The protestants include commuters in Clarendon, Ballston and other points nearby.

Unclothed, He Dances in Park To Show Sanity

Denver, Colo., Jan. 17.—Bare toes twinkled over the turf. Bare skin glowed under the midwinter sun. Frank Bane, 40, had just been pronounced sane by the lunacy commission. And Frank was celebrating his return to normalcy by dancing unhampered by a single thread of raiment in one of the city parks here.

Women passersby screamed. Male pedestrians stopped to watch Frank frolic. Some one called the police. Frank danced into the arms of waiting policemen who wrapped him in a blanket and took him to the county hospital.

The lunacy commission is scheduled for another meeting soon.

CARDINAL GIBBONS WALKS AFTER HIS LONG ILLNESS

Baltimore, Md., Jan. 17.—With his condition showing improvement, attending physicians permitted Cardinal Gibbons to pay a brief visit to the cathedral yesterday afternoon, accompanied by the Rev. Albert E. Smith, his secretary, and the Rev. Edward Leonard.

During the early part of the day, the physicians permitted the Cardinal to walk about in his study, after which he turned to them and remarked: "Fine, I am beginning to feel my old self." This is the first time that he has been allowed to walk since his illness.

LOOK OUT FOR THE RUTS OF POOR HEALTH

There's Work to be Done by Red-Blooded Men and Women With Strength and Energy

Do You Feel Fit For Your Job?

Pepto-Mangan Tones up and Purifies The Blood of Busy Men and Over-Tired Housewives

Take any man who works with his hands all day, every day, week in and week out. He uses up energy—lots of it. If he eats well and rests well his body renews its own energy. But there are days when he gets overtired, he calls on his human engine to do more than it can. He strains. His blood gets thin. He feels weak and sluggish, maybe grouchy. He simply cannot get things done with his old-time vigor.

It is the same with women working around the house every day. Days come when they overdo. And they pay the price.

Brain workers go through the same thing except that they are more likely to suffer from impoverished blood because they usually work in stuffy offices.

So when you get run down from overwork and strain, it is a good thing to know about that wonderful tonic, Pepto-Mangan. Begin taking it as soon as you feel the least bit run down. It will supply your blood with the food it needs. You will get back into your stride and pick up again. You will go through your working days feeling fit and able to get things done, to achieve and get ahead. Thousands are doing it every day.

Pepto-Mangan is for sale at your druggist's in both liquid and tablet form. Take whichever you prefer, but to make sure you get the genuine ask for "Gude's Pepto-Mangan" and see that the name "Gude's" is on the package.—Adv.

NORWEGIAN SHIP HAS LION CLUB FOR MASCOT

Newport News, Va., Jan. 17.—Captain Krohn, of the Norwegian steamer Venus II, has on board that craft a lion club, which he says is his mascot. He procured it in Africa, and since he has had it aboard the ship has been running in fair weather, or if the weather was not fair the ship did not suffer.

The cub is docile and quiet, and is chained only when the ship is in port and visitors are likely to come aboard.

TEXTILE UNIONS LAY PLANS FOR RESTORATION OF WAGES

Boston, Jan. 17.—Representatives of unions in many textile centers of Massachusetts and Rhode Island affiliated with the Amalgamated Textile Workers were authorized at a meeting here yesterday to report to their organizations that the Amalgamated was pledged to render all support possible, both moral and financial, to any local branch which should declare a strike as a protest against the recently announced wage reductions in New England mills.

A. J. Muste, secretary of the Amalgamated, said after the meeting that if any mill in Lawrence attempted to open under the reduced wage scale a strike would be declared against that mill.

Following a meeting of the United Textile Workers of America in Lawrence yesterday assurance was given by Vice President Thomas F. McMahon, "when the time is ripe the organization, backed by the American Federation of Labor, will seek restoration of the 22 1-2 per cent. in wage stolen from us through the manipulation of the employers."

Philadelphia, Jan. 17.—The Philadelphia district council of textile workers, at a meeting here yesterday, decided to resist strenuously any wage scale reductions, and called on the people of Philadelphia to support them in their struggle "for fair play and a chance to live as citizens of a great American city should live."

Most of the textile manufacturers recently announced wage reductions ranging from 10 to 25 per cent and told the men they would have to submit to them or the plants would be closed.

Murphy Going Abroad for Rest May Mean Retirement as "Boss."

Albany, N. Y., Jan. 17.—Charles F Murphy, leader of Tammany Hall, is going to Europe for travel and a long rest. This is the report spread among democrats here who are wondering if Murphy's contemplated "vacation" will signalize his retirement as "boss" of Tammany Hall.

Disposal of the indictment now hanging over Murphy as the outcome of a business deal must come before the "chief" can bid New York goodby. Murphy's attorneys, it is said, have assured him the indictment will be dismissed. Banking upon their assurances, Murphy is reported to be planning his trip.

Several Democrats of prominence are to make the trip over with Murphy, if he goes. One of them is Michael J. Walsh, Democratic leader of Westchester county and close personal friend. It is reported Murphy is to take the "cure" at Karlsbad or some other health resort and then tour France, Germany, Switzerland and Italy. His plans, say several of his associates, to be away for several months.

Should Murphy retire as leader of Tammany Hall, the assumption general in Democratic headquarters is that he will be succeeded either by former Governor Al Smith or Thos. F. Smith, secretary of Tammany Hall.

AMERICAN WOMAN ARRESTED IN BERLIN FOR SWINDLING

Berlin, Jan. 17.—An American woman and two alleged accomplices in a swindling operation have been arrested here. The woman's maiden name is said by the police to have been Virginia Fairfax. They assert that she married a German named Moll, who died a year ago. Mrs. Moll is declared to have come to Germany nine years ago, and since that time she has resided here.

The woman and her accomplices, according to the police, under the pretext of organizing a food relief bureau with the aid of American funds a year ago, succeeded in obtaining duty free import licenses for more than 100 carloads of foodstuffs. Of these supplies 30 carloads are declared already to have been entered Germany and have been transferred to private speculators

Sees Need of Country For Trained Teachers

Washington, Jan. 17.—A statement of lack of training of school teachers throughout the country was made here yesterday by Joseph H. Defrees president of the United States Chamber of Commerce, and given out by the National Education Association.

Mr. Defrees said that the situation as to training of teachers, had become so serious that it could not longer be looked on as a matter of purely local interest, but must be regarded as a national problem to be solved by co-operation between the nation and the States.

Mr. Defrees said that he had been advised by educational authorities who have studied conditions that of the 600,000 public school teachers in the United States, 30,000, or 5 per cent., have no education beyond the eighth grade 40,000 temporary teachers have not even filled what are termed "our low requirements;" 100,000, or 16 per cent., are under 21 years of age 15,000, or 25 per cent., have no education beyond the third year in the high school, and 480,000, or 80 per cent., lack the two years of special training said to be recognized is the minimum standard in other civilized countries.

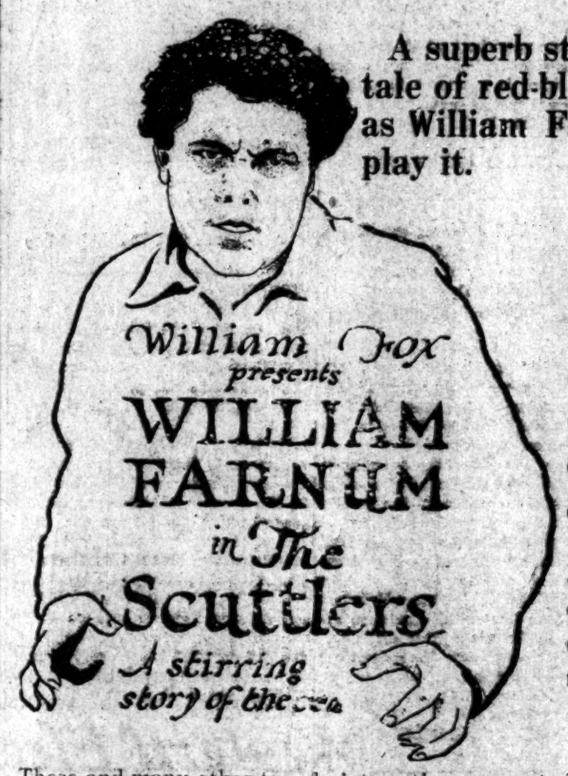
RICHMOND



A superb story of the deep-a tale of red-blooded men played as William Farnum alone can play it.

The story of a detective who allows himself to be shanghaied in order to get evidence against a crooked skipper.

And how a terrific battle ensues when the sleuth discovers the mate scuttling the ship.

These and many other tensely interesting moments help make this one of the biggest pictures seen here in many weeks. Don't fail to see.

USE OF STATE BANKS ACCOUNTS PLANNED

Washington, Jan. 17.—The national banks hold many millions of dollars on "inactive accounts," and John Skelton Williams, Comptroller of the Currency, has asked Congress to enact a law requiring these dormant balances to be turned over to the United States Treasury.

The last call for the figures on this account was made March 5, 1917, and showed an aggregate balance of $27,000,000, belonging to 736,000 customers.

Mr. Williams contemplates bringing these up to date in his next report. The depositors involved have "made no deposits" and "drawn no checks on their accounts for a period of five years or more," before 1917.

Since the last call was made the number of dormant accounts have increased and the totals grown. The extent of the growth could not be estimated by Mr. Williams yesterday.

INJURED IN WRECK

New York to St. Louis Train Sideswipes Engine and Upsets

Cleveland, Jan. 17.—Fireman J. J. Hollister was killed and Engineer Harry Lynch, both of Cleveland, seriously inured, when the engine on Big Four passenger train No. 11, westbound from New York to St. Louis, left the tracks at Linndale, near here, early yesterday, plunged down a thirty-foot embankment and turned completely over, pinning the fireman underneath.

Passengers were piled up in the cars but escaped injury.

The engine tender struck in the side embankment and prevented a combination baggage car and coach and a pullman from rolling in the ditch.

The wreck was caused by an eastbound freight train engine jumping the track and sideswiping the passenger train engine.

Two Killings, Many Hold-ups as New York Crime Wave is Renewed

New York, Jan. 17.—Two cases of homicide, numerous hold-ups, robberies and increased police activity, were recorded yesterday when New York's wave of crime, abated after the Christmas holidays, apparently broke afresh.

Shot during a fight in West 147th street, Edward Markle, a clerk, died en route to a hospital. An acquaintance, **Frank Bond**, was arrested later, charged with the shooting, which he denied.

An unidentified friend, with whom he had quarreled, lay in wait for James Sullivan early yesterday and shot him to death as he walked from an East Side saloon. The assailant brandishing a pistol in the faces of a crowd that gathered, escaped.

Four of six men who entered a Greenwich avenue home yesterday were captured after a fight with William Roysor, his wife and daughter. A policeman, attracted by their shouts for help, clubbed the four into submission. The others fled. Those arrested were held in $1,500 in bail each for examination Tuesday.

The renewed operations of outlaws resulted in the detailing of 150 recruit policemen to special detective duty in Brooklyn and sections outside the business district in Manhattan.

Police Commissioner Richard Enright, who denied reports current yesterday that he had resigned his post, has been subpoenaed to appear tomorrow, with Mayor Hylan, before a special grand jury in connection with former Governor Whitman's inquiry into alleged corruption in the city administraton.

Police books, papers and records will be used by Mr. Whitman in the examination of the officials.

Residents of a Harlem apartment house armed themselves with clubs yesterday and captured a youth who said he was John Robinson. He was found hiding behind an airshaft in the basement of the building and was arrested charged with having entered and robbed one of the apartments. He was held in $5,000 bail for examination.

Police raiding squads operating late last night along the bowery, in Harlem and the lower East Side arrested more than 150 men. All were charged either with gambling or being suspicious characters.

Attacked by unidentified men as he entered his home in East Ninth street yesterday, Alexander Lukin, a salesman, was clubbed into insensibility. He was taken to a hospital and had no trecovered consciousness last night.

After beating a young woman ticket agent to the floor, a man yesterday robbed the box office of a West Side motion picture house, ran into the theater and escaped through a rear exit.

RACES WITH DEATH TO WIFE'S BEDSIDE

Chicago, Jan. 17.—While surgeons at St. Luke's Hospital yesterday were performing an emergency opera tion in an attempt to save the life of Mrs. Cyrus H. McCormick II her husband harvester magnate, was racing on a special train from New York to be at her side.

Mrs. McCormick has been ill for some time at the hospital. Her condition was not considered critical, however, until Saturday, when she suddenly had a severe relapse.

Mr. McCormick and his son Gordon were in New York at the time. Harold F. McCormick telegraphed them to come home immediately.

EXTRA FOR PULLMAN MEN

Chicago, Jan. 17.—Beginning today the 20,000 employes in the operating department of the Pullman Company will work nine hours a day instead of eight, it was announced last night by their representatives at a meeting of the Chicago Federation of Labor. The extra hour's work, requested by the company, will be done under protest pending a decision by the Railway Labor Board.
